

Dear Families,

Get ready! The Scholastic Book Fair is coming our way (YAY!). Choosing their own books empowers kids and inspires them on their journey to becoming lifelong readers. AND—as always—every purchase at the Fair benefits our school.

Here's what you need to know about the big event, which will take place:

To make your students' shopping experience easier, we are excited to announce our partnership with Mydoh as our preferred cashless payment solution!

How Does Mydoh Work?

Families can sign up for the Mydoh app **for no monthly fee** and add up to five kids to one account. Parents can pay kids an allowance or send money on the go. Kids receive a physical and digital Smart Cash Card, which can be used to securely buy items (like books!). And there's peace of mind in knowing that Mydoh is backed by RBC.

Why Mydoh?

- Teaches kids good financial habits through real-world money experiences.
- Allows parents and guardians to have oversight on kids' spending, which provides opportunities to coach kids on their financial decisions.
- Savings Goals give kids a way to save for those items they really want (like a book series by their favourite author) and track their progress in the app.
- Helps kids gain independence and prepare for the future.
- Provides free tools and resources, like [The Parents' Guide to Teaching Money Basics](#) and Should I Buy It? Calculator for kids.

The countdown to more Bookjoy is on! Catch you at the Fair!

Happy reading,
