pop in to the office to talk to Mrs. Adams.

AP 316 ADMINISTERING MEDICATION & MEDICAL TREATMENT TO STUDENTS:

As per Administrative Procedure 316, the
principal is to ensure that students who
require medication or medical procedures
during school hours are identified and the
appropriate information has been completed
and filled out by the parents **prior** to
administering medications or procedures.

"Despite the forecast,
live like it's spring."

- LILLY PULTZER

PLEASE NOTE:

A doorbell outside the
office entrance was hard
wired in over the February
break. Please ring the door
bell when you arrive. Once
Mrs. Adams knows you
have arrived, she will buzz
you in from her office.

**Please listen for the "click" before
trying to open the RIGHT door.**

Please wait a couple minutes before ringing
the doorbell again as Mrs. Adams may be
away from her desk and to avoid disturbing
classes.

Please check in at the office from there.
