

# Understanding the YGKFundraising Checkout Process

Shopping on the fundraising website is easy and familiar to anyone who shops online. We want to make sure that everyone understands the checkout to ensure that the orders all get sorted to the right organizations or schools.

**STEP 1** – Enter the name of the student or family you are supporting with your order. *(If someone misses this step orders will still get sent to your organization but will be grouped with the customer's name and the school or organization might not know which student to send them home with)*
