### GARDENING CLUB UPDATE:

The gardening club has been busy watering the trees in the playground and the flower bed & planter in front of the school.

We made seed bombs for Mother's Day Gifts. We also made lilac bouquets and delivered them to classrooms for all students and staff to enjoy.

On June 5th, Sandra from Garden of Eden will be delivering the annuals we planted and we will transplant them into the pots in front of the school. Thank you Sandra from Garden of Eden for helping us with this project. We appreciate it!

We have one more special activity to do in June.
